ADMISSION REQUIREMENTS

Shelton State Community College is an open admissions institution. All students who have earned a high school diploma or GED are eligible for admission. In addition to an application for admission, students are required to supply the College with an official copy of their high school transcript with the graduation date posted or an official copy of their GED scores. Students transferring from another college must submit an official copy of their transcript(s) from each college they have attended. Transient students (a student taking courses at Shelton State to transfer credits to their home institution) must submit a transient letter from their home institution stating the courses they will be allowed to take. A transient letter must be submitted to the College for each term the student attends Shelton State. Students may be conditionally admitted for one semester without the above information. However, students will not be allowed to register for math or English courses without documentation of prerequisites or the appropriate COMPASS® score. Students must be prepared to provide this documentation at the time of registration. Also, students receiving federal financial aid must have a complete admissions file. Students who earned the Alabama Occupational Diploma, accelerated high school students, dually enrolled students, and students who graduated from non-accredited high schools may not be conditionally admitted. Please contact the Office of Admissions and Records for further information concerning these categories of students.

Instructions for Beginning Freshmen

- A. For an admissions file to be complete, high school graduates must have their high school send an official copy of their transcript with the graduation date posted, to the Office of Admissions and Records, Shelton State Community College, 9500 Old Greensboro Road, Box 190, Tuscaloosa, AL 35405. 20 or higher in Reading PLACEMENT	480 or higher in Critical Reading	No RDG course required

If a student wishes a higher math placement, they must take the appropriate portion of the COMPASS assessment.

- D. Students who plan to transfer to a four-year institution in the state of Alabama should visit www.sheltonstate.edu and click the STARS link. The Statewide Transfer & Articulation Reporting System (STARS) is a web-accessible database system that provides guidance and direction for prospective transfer students in the State of Alabama. The STARS System allows public two-year students in Alabama to obtain a Transfer Guide/Agreement for the major of their choice. Print and keep this guide. If used correctly, it guides the student through the first two years of coursework and prevents loss of credit hours upon transfer to the appropriate public four-year university in Alabama. Refer to the STARS page for more information.

Students enrolled in distance education classes must begin participation within five (5) days of the first day of class.

Definitions

Federal Grant Recipient - A student who receives one or more of the following: Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), or Alabama Student Assistance Grant (ASAG) is defined as a Federal Grant Recipient.

Complete Withdrawal - The withdrawal date is the date that the student submits a completed withdrawal form (withdrawing from all classes) to the Office of Admissions and Records.

Sixty percent (60%) of Enrollment Period - For full term Fall 2008 classes, the 60% point is March 16, 2009; for first split term, February 6, 2009 and for second-split term, April 10, 2009. Withdrawal Policy

Students who wish to withdraw from a course or totally withdraw from school must officially withdraw on or before the date designated as the last day to withdraw for the semester. The last day to withdraw will be the Monday of the last full week of classes prior to the day final exams begin. There will be NO withdrawals after this date. The student will receive a grade of "W" regardless of the student's average at the time of the withdrawal; the grade of "W" will be recorded on the student's permanent record. Students who remain in the course after the last day to withdraw will receive the grade earned for the course. Withdrawal through the online student portal is available until midnight of the designated last day for withdrawals, and withdrawal in person is available in the Office of Admissions and Records until the close of business of the designated last day for withdrawals. No withdrawals will be taken over the telephone. An instructor's signature is not required. Failure to attend class does not constitute official withdrawal.

To obtain grades, visit www.sheltonstate.edu and click on Access Student Online Account to reach the login page. Students must enter a Student Identification Number (I.D.) and a password for access. Students who forget their password may request it to be emailed to them at the email address that is on file in the Office of Admissions and Records. Standard College Policies

The Standard College Policies are the policies which apply to all classes at Shelton State Community College. These policies have been summarized from the Catalog and the Student Handbook; they provide the student with general information that will assist in understanding the expectations regarding enrollment, grading, attendance, student conduct, and other important topics. A copy of the Standard College Policies will be emailed to each student using his/her BUCS Mail email address. Upon receipt of the Policies, students are deemed to be on notice of the contents of the Policies and are expected to abide by those Policies for every class in which the student is enrolled at the College. The Standard College Policies are also available on the College website, www.sheltonstate.edu. It is important that the students retain this copy through the current semester, as it applies to every class in which they are enrolled.

Transfer of Courses

College advisors are available to help students complete their schedules. However, it is the responsibility of the student to make sure they have satisfied all course prerequisites and to determine whether a course will be accepted at another institution. Students who plan to transfer to a four-year institution in the state of Alabama should visit www.sheltonstate.edu and click on the STARS link. The Statewide Transfer & Articulation Reporting System (STARS) is a web-accessible database system which provides guidance and direction for prospective transfer students in the State of Alabama. The STARS System allows public two-year students in Alabama to obtain a Transfer Guide/Agreement for the major of their choice. Print and keep this guide. If used correctly, it guides the student through the first two years of coursework and prevents loss of credit hours upon transfer to the appropriate public four-year university in Alabama.

Prerequisites

Before students enroll in a course, they must satisfy all prerequisites. If they enroll in a course for which they have not fulfilled all prerequisites, they may not receive credit for that course and may be administratively withdrawn.

Class Cancellations/Room Changes

Occasionally it is necessary that the College must cancel a class or make a room change. To the extent possible, these changes will occur prior to noon on Tuesday, January 6, 2009. Students are required to verify their class schedules on the web after that time. Notifications of class cancellations will be emailed to each student at the email address assigned to the student by the college. Students affected by class cancellations should immediately attempt to register online in an alternate class or come to campus for assistance.

Although the publisher of the schedule has made every reasonable effort to attain factual accuracy herein, no responsibility is assumed for editorial, clerical, or printing errors, or errors occasioned by honest mistakes.

ALL INFORMATION IN THIS SCHEDULE IS SUBJECT TO CHANGE BY SHELTON STATE WITHOUT PRIOR NOTICE.

It is the official policy of the Alabama Department of Postsecondary Education, including all postsecondary institutions under the control of the Alabama State Board of Education, that no person in Alabama shall, on the grounds of race, color, disability, sex, religion, creed, national origin, or age, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program, activity, or employment.

SPRING 2009 CLASS SCHEDULE SORTED BY DAY AND TIME

MODES OF INSTRUCTION

To better meet the needs of our growing and diverse student population, Shelton State Community College has expanded our class offerings to incorporate different modes of instruction. By selecting classes based on the mode of instruction, students can choose a learning environment that will best meet their needs.

Modes are located to the left of the course description in the schedule. The key below explains each mode of instruction.

- CBI** **Computer Based Instruction:** A class with an instructor scheduled at a specific time in a computer classroom on campus. Instruction and assessment are delivered using a computer. Students are required to attend class on campus.
- CAI** **Computer Assisted Instruction:** A class with an instructor scheduled at a specific time and location in a computer classroom on campus. Instruction and assessment are delivered with a combination of instructor lectures and computerized assessments. Students are required to attend class on campus.
- B** **Blended:** A class with an instructor that requires students to attend a designated number of classes on campus and complete activities and coursework online. Students are required to attend the designated classes on campus and participate in activities and complete coursework online. Access to a computer with high speed Internet capabilities is required.
- O** **Online:** A class that meets entirely online. Students are not required to come to campus. Students are required to take exams on campus or in an approved proctored environment. Access to a computer with high speed Internet capabilities is required.

Where a mode of instruction is not listed, the class is a traditional face-to-face class with an instructor scheduled at a specific time and location. Students are required to attend class on campus or specified location. The instructor may utilize online tools to enhance the teaching and learning process.
